

FRI-JADO UNDERFRAME HD

- (Low) Underframe with round caps
- (Low) Underframe with square caps
- (Low) Underframe with flat panel

The underframe for the HD7 has an extra leg in the middle for extra strength.
Parts for this leg has been added to this package.
This leg has to be assembled as the other two legs.

We recommend to use an electric screwdriver and its appropriate accessoires

Remove protective plastic before assembling
